YEAR 'ROUND FUN

The Brainerd Lakes area of north central Minnesota is one of the top vacation destinations in the upper Midwest. Brainerd and the surrounding area offer a multitude of sports, recreation and entertainment for everyone. Fishing is popular throughout the year,

while winter attracts ice fishermen, snowmobilers and downhill and cross country skiers.

The warmer months attract those interested in activities such as boating, water skiing, golf and bicycling. If the weather is just plain lousy, you can relax at the Arrowwood Lodge and enjoy the waterpark and arcade, watch a video or check out the pub.
